The convention lasted three days. The officers elected are: Jacob Birnbaum, of Boston, president; John Schwartz, of New York, general organizer; Abraham Greenstein, of New York, general secretary-treasurer; V. Manard, of Newark, first vice president; Manard, of Newark, first vice president; John Dougherty, of Philadelphia, second vice president; George Cushman, of Providence, fourth vice president; A. WAGES ADVANCED.

Grass Valley, Cal.— The Empire, North Star, Golden Center, Allison Ranch, Brunswick, Sultana and Union Hills mines companies have announced that October 1 wages will be raised 25 cents a day. The minimum wage for miners will be \$3.25 and for shovelers and carmen, \$2.75 a day. More than 1,000 men are affected.

Shamokin, Pa.—Twenty-five hundred employes of the Eagle silk mills here, Trevorton and Kulpmont, have been granted a 10 per cent wage increase, along with other concessions.

UNION OF RIVERMEN.

Point Pleasant, W. Va.-Employes of Ohio river steamers effected an organization here, by which they hope to secure better working conditions and uniform wages for deckhands and firemen employed on towboats and packets. It is said to be the only organization of its kind in the United States and grew out of a strike two weeks ago, just as Kanawha and Ohio shippers were preparing to send coal fleets south. The demands for increased wages by the men were granted. Captain John Vickets was elected president of the new organization, which was effected by J. A. Pauley, secretary of the Federation of Labor and Harry Lowe, president of the Huntington Trades and Labor Assembly. The organization is composed of unlicensed steamboat employes. The present pay to firemen is \$60 a month and deckhands \$50 a month. \$50 a month.

STRIKE CLOSED THE PLANT.

Dover, N. J.—A strike of 200 labor-ers at the Richardson & Boynton stove and range works resulted in the plant being shut down indefinitely. Five hun-dred men are thrown out of employment besides the 200 on strike.

The laborers, who assist the molders and melters, want \$3 a day for eight hours' work, recognition of the union and reinstatement of employes who were discharged during a recent strike.

WON A STRIKE IN 15 MINUTES.

Pittsburg.-Broom makers at seven factories in this city won a strike in rec-ord time. Fourteen and a half minutes after they had made good their threats to strike unless their demand for a 30 per cent increase were met, the men were back at work, the increase having weeks, and the broom makers served an ultimatum on their employers.

CHAINMAKERS ORGANIZED.

Trenton, N. J .- A new union of chainmakers has been organized in this city. Its membership will include practically all the men employed at that industry. It will receive its charter from the International Brotherhood of Blacksmiths.

VIOLATE ANTI-TRUST LAW.

Dubuque, Iowa.—The United States Court of Appeals has upheld the deci-sion of the Federal Court of Iowa hold-ing four members of the National Association of Master Plumbers guilty of violation of the Sherman anti-trust law. The four defendants, with 240 other dealers and manufacturers, were indict-ed in 1894. The master plumbers carried their case to the higher court with the above result. The case is of particular interest to Dubuquers owing to the dis criminations shown to journeymen plumbers who went into the contracting business here, supply houses refusing to furnish them with goods except at prohibitive prices.

THEIR BUSINESS INCREASING.

San Francisco.-The Garment Workers' Union reports that two new factories manufacturing mechanics' clothing have recently located in San Francisco and are employing members of the Gar-ment Workers' Union and are operating under strictly union conditions. One firm is Hamilton-Carhart, and the other is Larned-Carter. Both firms have fac-tories in the East, but so great is the de-mand for union-made garments on the Pacific Coast that they determined to establish branch factories in San Fran-cisco. Both firms voluntarily unionized their plants.
